

CAEA AND THE FRINGE 2019

The Vancouver Fringe Festival is included in the Canadian Artist Equity Association's Festival Policy. If any actors in your show are members of the CAEA, you will need to complete the [online CAEA Festival Policy Application](#) for a waiver to allow you to participate in the Vancouver Fringe. Only one application is required per show, but it must be submitted at least 30 days before your first rehearsal.

We strongly recommend that you include Opening Night (2 days before the Festival) and Pick of the Fringe (the week or two after the Festival) in your waiver application, just in case you are asked to perform as part of our Opening Night showcases, or are chosen as Pick of the Fringe!
