

ARTIST RUSH PASSES 2020

***To minimize physical contact, the Fringe will not be providing artists with physical rush passes.**

ARTIST RUSH ADMISSION PROCEDURE

- Artists are asked to provide the Fringe with a list of artists who are actively involved with their show at every performance. These artists are set up with a 2020 Fringe membership and added to our Rush List.
- Artists can sign up to be in the Rush Line with the Ticket Seller at the venue up to 45 minutes prior to the show time. Five minutes before the show starts, empty seats will be filled from the Rush Line on a first come first served basis.

ARTIST RUSH PASS VALIDITY

- Artist Rush Admission is only valid for the mini Festival period the artists are performing in.
- Artist Rush Admission is NOT valid for special events.
- Artists on the Rush List have a Fringe 2020 membership attached to their accounts. This membership is valid if an Artist decides to purchase a ticket for shows in other mini Festival periods.

ARTIST RUSH PASS TERMS

- Passes are only intended for those Artists who are actively involved with the show at every performance.
- An Artist may be asked to show ID at any time by any Fringe Staff Member or Volunteer.
