

ARTIST RUSH PASSES 2021

***To minimize physical contact, the Fringe will not be providing artists with physical rush passes.**

ARTIST RUSH ADMISSION PROCEDURE

- Artists are asked to provide the Fringe with a list of artists who are actively involved with their show. These artists are set up with a 2021 Fringe membership and added to our Rush List.
- Artists can sign up to be in the Rush Line with the Ticket Seller at the venue up to 45 minutes prior to the show time. Five minutes before the show starts, empty seats will be filled from the Rush Line on a first come first served basis.
- Artists rushing a show must fill out a Patron Waiver and follow all FOH check-in procedures.

ARTIST RUSH PASS VALIDITY

- Artist Rush Admission is valid for any in-person shows during the Festival period.
- Artist Rush Admission is NOT valid for special events and digital shows.
- Artists on the Rush List have a Fringe 2021 membership attached to their accounts. This membership is valid if an Artist decides to purchase a ticket for shows.
- Artists are NOT allowed to book comps for guests using their membership. Guests using Artist comp must have their own Membership.

ARTIST RUSH PASS TERMS

- Passes are only intended for those Artists who are actively involved with the show at every performance, or whose creative leadership is integral to the production of the show.
- An Artist may be asked to show ID at any time by any Fringe Staff Member or Volunteer.
